VICE CHANCELLOR'S MESSAGE

DR. K.P. SINGH
Vice-Chancellor | MJPRU, Bareilly

The aim of education is to acquire knowledge, not only of facts, but of values.... As we move towards becoming a developed nation, the role of youth of the country, becomes increasingly important. We wish to be a cutting-edge university, to anticipate the needs of the future and meet them here and to create a physical environment that supports teaching, learning, and research. We realize that the rapid pace of development in the country has raised the expectations of the people from the institutions of higher learning.

The Mahatma Jyotiba Phule Rohilkhand University is making efforts to rise to the level of a world class institution to create new horizons in the arena of technical education and research. Curriculum innovation is addressed as the top most priority by the University to make the courses industry and research oriented. The young dedicated and qualified faculty members are waiting to receive and lead you towards an excellent academic career for your better tomorrow.

We will be providing and constantly improving a research-friendly environment where excellent staff/researchers nationally, regionally and even internationally will work together. It is the people involved in this robust commitment to research who animate our university and make it the exciting place that it is. Make the best use of it for personal gains, social and national development.

Thanks and all the best wishes!

EXECUTIVE DIRECTOR'S

MESSAGE

AKSHAJ RASTOGI

Executive Director

In BIMT, management Education is a 'companion', which no misfortune can depress, no crime can destroy, no enemy can alienate, no despotism can enslave'. At home a friend, abroad an introduction, in solitude a solace and in society an ornaments, BIMT education chastens vice, guides virtues, it gives at once, grace and governments to genius. Our education makes future captain of industry 'easy to lead but difficult to drive, easy to govern but impossible to enslave'.

Leadership is not always grand or heroic. It occurs in small steps by people on the grounds that are guided by humanity and commonsense. We shape such leaders who with quiet effectiveness take small, careful steps to solve major problem.

Our students know how to consolidate gains and produce stark & prodigious change. They are more risk and uncertainty tolerant, quick to make decisions in a non-bureaucratic set up with fewer rules and employees, our students are known for competitive driving, working in competitive capacity with a goal of lifelong learning and are suited to make necessary leap into future.

I invite you to join BIMT family in this great endeavour and jump to future with confidence, setting issues with the rule book of ethics and tackling problems with a creative mind.

Best of Luck!

DIRECTOR'S

MESSAGE

ASHISH SINGHAL

Director

Welcome to BIMT Today, we stand at a unique moment in time and we should understand these challenges that lie ahead of us. With management education at an inflection point, we must strive to equip leaders of tomorrow with the competence, ability and character to address emerging global business and social challenges. The work of Today's manager is not restricted to manage only his/her product or service and market. Rather he/she has a large responsibility to assume the role of an organizational leader in such environments which is extremely challenging but rewarding as well. Such leaders in today's environment need to acquire specialized knowledge, skills and attitudes so as to have a cutting edge vis-à-vis their competitors.

I welcome you to navigate through our website to learn more about the Institute and its activities.

DIRECTOR'S

MESSAGE

VIKAS AHUJA

Director

I wish to thank you for showing interest in BIMT, BADAUN. We have been providing quality education in management for the past 12th years and over 2678 students have graduated from BIMT since its inception in 2009.

At BIMT, students are expected to have an enriching and life-turning experience which will enable them to reach new heights in their professional life. We foster sharpening of skills and enhancement of knowledge base in our students through various extra-curricular, co-curricular and curricular activities through faculty who not only keep themselves at par with the current developments but also contribute to the expansion of the body of knowledge in their field of expertise. To facilitate this, we have Centers of Excellence to enhance domain specific research and training among members of faculty and entrepreneurship among students.

As a prospective student, you are welcome to explore options that may be available to you in our various academic programmes and please do not hesitate to contact us for additional information.

PRINCIPAL'S

MESSAGE

DR. P. DASS
Principal

It is a matter of pleasure for me to write this message for my institution BADAUN INSTITUTE OF MANAGEMENT AND TECHNOLOGY (B.I.M.T.), Badaun.

The Institution started two courses – B.B.A. and B.C.A. in 2009 during my principalship in 2012, we started (B.Sc.- Home Science) and (B.Com.- Honors), which were new to this district as no other Institution covered these courses.

Later on, this College started B.Ed. in 2015 and D.El.Ed. in 2016.. Also B.Sc.- Bio & Math and B.Com. – (Regular) in 2016.

The college has achieved its new goal in the sense that it has been recognised by U.G.C. to start PG Courses and the college management is planning to start M.Sc. (Home Science) and M.Com. Classes in new session.

Thus this College, is unique, in the sense that it provides education in professional as well traditional courses.

The college insists regular teaching and punctuality of the students, and of faculty members too.

Also the students are kept busy with games and sports, in their vacant periods, in the guidance of trained and qualified, games suptd. The institute has well developed and equipped labs of Physics, Chemistry, Zoology and Botany. the Deptt. of Computer Science has its own computer lab, with Wi-Fi Internet Facility.

In the last but not the least, I wish to give the message to my students, that they are to prove that they are the students of B.I.M.T. through their all round developed personality, discipline and behaviour. I wish them all success in life as follows-

“जीवन दीप जले ऐसा सब जग को ज्योति मिले, जीवन दीप जले।”

विचार

शिक्षित व्यक्ति को आसानी से शासित किया जा सकता है।

बिना शिक्षा प्राप्त किये कोई व्यक्ति अपनी परम ऊँचाइयों को नहीं छू सकता।

शिक्षा अपने क्रोध या अपने आत्म विश्वास को खोये बिना लगभग कुछ भी सुनने की क्षमता है।

शिक्षा स्वतंत्रता के स्वर्ण द्वार खोलने के कुंजी है।

जो आपने सीखा है उसे भूल जाने के बाद जो रह जाता है वो शिक्षा है।

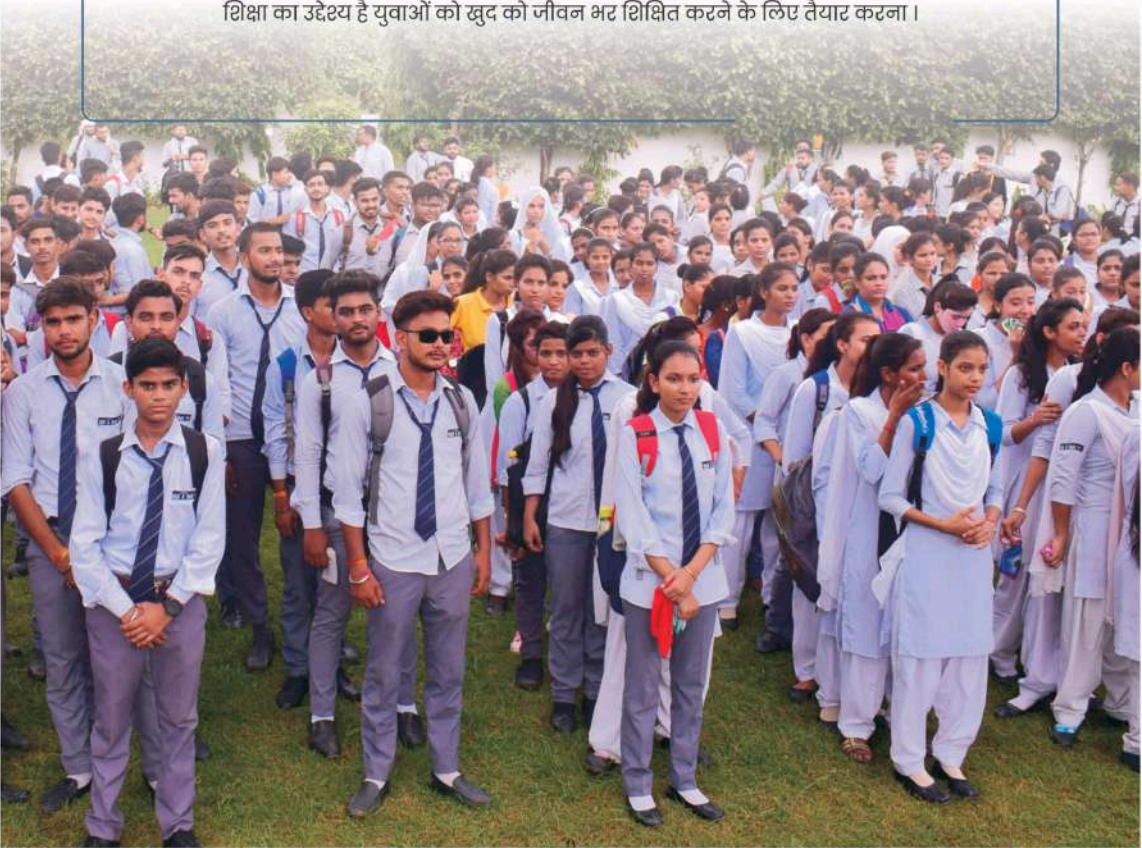

शिक्षा ने ऐसी बहुत बड़ी आबादी पैदा की है जो पढ़ तो सकती है पर ये नहीं पहचान सकती की क्या पढ़ने लायक है।

शिक्षा का मकसद है एक खाली दिमाग को खुले दिमाग में परिवर्तित करना।

वो जो स्कूल के दरवाजे खोलता है, जेल के दरवाजे बंद करता है।

भविष्य में वो अनपढ़ नहीं होगा जो पढ़ ना पाए, अनपढ़ वो होगा जो ये नहीं जानेगा की सीखा कैसे जाता है।

शिक्षा का उद्देश्य है युवाओं को खुद को जीवन भर शिक्षित करने के लिए तैयार करना।

About Us

Write in brief about the college/educational organization. When was it founded, what courses does it offer. It is a formal introduction to prospective students. Include your achievements in the about us section, your accreditation, grades, affiliations, and approvals by competent authorities.

Infrastructure

Expand upon the infrastructure offered and various facilities that are exclusive to the institute. Give your prospects a glimpse of classrooms, libraries, studios, laboratories, community center, hostels, dorms, eatery etc. Let them see the infrastructure where they would be spending their college days.

Alumni

Students always get inspired by individuals, so do mention your top alumni members and what they are currently doing. A good word by them can also be added under their names.
